

The MS Student Forum is running a fundraiser for the Putnam Humane Society to celebrate National Pet Day on April 11th.

Unlike our own pets, there are many animals that rely on the generosity of strangers to care for them.

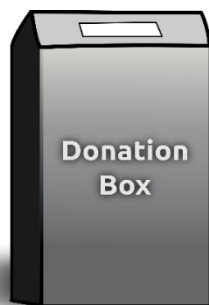

Boxes will be located at various sites throughout the school for you to place your donations when we return from spring break.

Main office, the vestibule at the front entrance

And the HS guidance office.

A link is supplied below with a detailed list of what the society needs to support their organization, as well as a small amazon wish list link for those who want to donate via the internet.

The last day for collections will be April 23rd.

Thank you in advance for your contributions and thoughtfulness in supporting the unspoken voices of animals.
